

PRESS RELEASE

U.S. TECHNICAL NOW ITAR COMPLIANT!

U.S. Technical is proud to announce that we have completed our Manufacturer/Exporter Registration and received our International Traffic in Arms Regulations (ITAR) certification.

In accordance with the Office of Defense Trade Controls, any person who engages in the United States in the business of either manufacturing or exporting defense articles or furnishing defense services is required to register and keep that registration current with this office pursuant to the Arms Export Control Act (AECA) and the International Traffic in Arms Regulations (ITAR Part 122).

This is a great accomplishment for U.S. Technical Consultants, Inc.! This important registration demonstrates our commitment to provide a higher level of support to our Domestic and International Customers.
